# TURN! TURN! TURN!

TO EVERYTHING (TURN, TURN, TURN) THERE IS A SEASON (TURN, TURN, TURN)  
AND A TIME FOR EVERY PURPOSE, UNDER HEAVEN.

In 1965, a group of shaggy-haired young men encouraged the nation to “turn, turn, turn” and accept that change is inevitable and that there is a time for every purpose under heaven. The song, made famous by the musical group The Byrds, used lyrics that dated back more than 2,000 years, taken from Ecclesiastes 3: 1-8. The stanzas describe opposing actions: a time to be born, a time to die; a time to weep, a time to laugh; a time to mourn, a time to dance.

The verse so well describes the past year - a time for continual change. At some points it felt as if time were standing still, as we once again postponed gatherings, swinging from in-person to Zoom, longing for the end of the restrictive era and the return of normal. All along the way, we wished for more time with dear Foundation friends now lost to us, torn by conflicting desires to pause...rewind...and fast forward!

As you turn the pages of our 2021 Spirit of Giving:

**Turn** to the rich stories featured – the selfless acts of kindness and support we’ve experienced the past year.

**Turn** to the heartwarming articles celebrating Foundation donors and volunteers.

**Turn** to the articles detailing our 2022 initiatives - funding advancements that will only happen with your help.

The Greek philosopher Heraclitus said, “Change is the only constant in life.” The Foundation wholeheartedly believes in a second: the unchanging and immeasurable kindness and loyalty consistently shown to us by you, the Friends of the Foundation. We are grateful that we can always turn to you!

# For Everything There is a Season

Ecclesiastes 3:1-8

“There is a time for everything  
and a season for every activity under the heavens:

a time to be born and a time to die

a time to plant and a time to uproot

a time to kill and a time to heal

a time to tear down and a time to build

a time to weep and a time to laugh

a time to mourn and a time to dance

a time to scatter stones and

a time to gather them - a time to embrace

and a time to refrain from embracing

a time to search and a time to give up

a time to keep and a time to throw away

a time to tear and a time to mend

a time to be silent and a time to speak

a time to love and a time to hate

a time for war and a time for peace.”

In 1748, Botanist Carl Linnaeus imagined that people might be able to tell time just by observing the flowers in their gardens. He noted that many floral species had blooms that opened and closed at a set time-of-day and proposed planting them in a clock-shaped space. The “Floral Clock” was attempted by several botanical gardens in the early 19th century, with mixed success. It seems the ever-changing elements of weather and daylight made for an unpredictable result. I myself have a Moonflower, which blooms at night and closes in the daytime, so I love this beautiful idea!

Time was definitely on our minds as we looked back at this past year, a season of challenges, but also triumphs. Ecclesiastes 3:1-8 which begins, “For everything there is a season,” records all the important changes, or seasons, of our lives, and inspired us as we reflected on the 2021 Foundation journey. Some moments were joyful - the story of our thriving Miracle Twins Emma and Lilly Bush; others saddened us - the loss of dear Foundation friends. There were new beginnings - the launch of the NETX Cancer & Research Institute, a campaign that is full of hope to End Cancer; and bittersweet endings – the final celebration of Miracles Begin With You, when we will honor a decade of Miracle Makers.

Throughout these pages we have featured our generous friends, devoted volunteers, compassionate community partners and faithful Associates. Even in this unpredictable era, each one has once again embraced and blessed the Foundation programs with the spirit of giving, furthering our mission to improve health care for Northeast Texans. We are deeply grateful for such exceptional kindness.

Author Stephen Olford wrote, “It is God and God alone who winds the universal clock and manages its intricate machinery.” As we move forward in time, let’s cherish this imagery of God, the eternal timekeeper, letting Him hold our days carefully in His hands, creating harmony and splendor in this beautiful garden of life.

# A Time to be Born

## 2021 MIRACLE CHILDREN - EMMA AND LILLY BUSH

Children's Miracle Network Hospitals has been truly blessed this year with a miraculous dynamic duo! Born at CHRISTUS Mother Frances Hospital – Tyler, Miracle Twins Emma and Lilly Bush are thriving today thanks in part to your generous support for the **level 3 Neonatal Intensive Care Unit** at CHRISTUS Mother Frances Hospital – Tyler

Ashley and Garret Bush were ecstatic when they found out they were expecting twins! However, once Ashley's CHRISTUS Trinity Clinic obstetrician identified their pregnancy as an **uncommon monochorionic-diamniotic pregnancy** (meaning the babies were so close they shared the same placenta), the Bush family knew that complications were a possibility.

At 26 weeks gestation, Ashley was admitted to the hospital for precautionary bedrest. She soon started having trouble breathing due to fluid on her lungs. At 28 weeks, Ashley's water broke and she was rushed to surgery for an emergency C-section to save her and the babies. It was the morning of Mother's Day 2018.

After the babies were born, Ashley was still having difficulty breathing and she was transferred to the ICU and put on a ventilator. The twin girls, named Emma and Lilly, weighing just 2.6 and 2.9 pounds, fought for their lives in the **Neonatal Intensive Care Unit** at CHRISTUS Mother Frances Hospital – Tyler.

When Ashley finally saw her babies, she knew they were truly tiny miracles, but feared their road ahead would be anything but smooth. Lilly, the smaller of the twins, had several challenges including multiple blood transfusions, difficulty feeding, and a scary bout with necrotizing enterocolitis, a potentially devastating disease that affects the intestine of premature infants. Both girls had reflux issues and multiple bradycardia events, meaning they would spontaneously stop breathing for no apparent reason. Ashley remembers those NICU days as difficult, but an incredible blessing.

"I was in the NICU fourteen hours a day. I would come first thing in the morning and wouldn't leave until late. It was so scary when one of the babies would stop breathing and the alarms would all go off and the nurses would rush in, but I took every chance I could just to hold them. While I knew our girls were in the best hands possible, it was so hard to see all these other parents taking their babies home while mine had to stay. But the nurses and doctors were always there for us. They sat with us, they prayed with us, they even helped us give our girls their first bath. I will always remember their kindness during the hardest part of our lives."

After 83 days under the expert care of the Neonatal Intensive Care Unit Team, the Bush Family finally got to bring their twins home. Both girls quickly grew and flourished and miraculously have no residual health issues. Now, as energetic and inseparable three-year-olds, Emma and Lilly keep their parents' hands and hearts full.

Bishop Joseph Strickland with Father Daniel Oghenerukevwe

The Center for Pastoral & Spiritual Care officially opened on August 26, 2021 with a community celebration that included Sisters from several congregations, past graduates of the Chaplain Program, members of the clergy and the Very Reverend Joseph Strickland, Bishop of Tyler, who blessed the new center.

The program, which includes a team of full-time chaplains and resident members of the Clinical Pastoral Education Program, offers whole-person care, healing the spirit, mind and body. The program provides emotional, spiritual and religious counseling to over 15,000 people each year.

The center has chaplains from different backgrounds and sisters from the health system's founding congregation who work with families and patients and CHRISTUS Associates, providing round-the-clock spiritual care and guidance.

The Center allow chaplains to be united in the heart of our Tyler hospital campus. The space features a welcoming waiting room, prayer room, an expanded conference room, chaplain residents' workspaces, a sleeping room for an on-call chaplain and six chaplain offices. "We were so blessed by our generous patrons who made this Center project into a reality," said Robin Rowan, Executive Director, CHRISTUS Trinity Mother Frances Foundation.

# A TIME FOR GRATITUDE

## THE MATERNAL-FETAL MEDICINE PROGRAM

The 2021 Fundraising Project of the CHRISTUS  
Trinity Mother Frances Foundation Women's Board

Women who have been diagnosed with a high-risk pregnancy no longer have to waste precious time traveling back and forth to Dallas for testing, observation and treatment. CHRISTUS Trinity Clinic Maternal-Fetal Medicine Program now provides comprehensive care for women who are at high risk for complications threatening the health of the mother and/or baby during their pregnancy through birth.

Thanks to a generous community supporting the Foundation Women's Board 2021 project, two state-of-the-art 4D video ultrasound machines will now provide patients in East Texas with a comprehensive fetal sonogram right here in Tyler. "This advanced technology will allow the MFM Team to accurately diagnose a wide range of complex prenatal conditions in the highest definition imaging possible at the earliest point in the pregnancy," said Dr. Mojirayo Sarumi, fellowship-trained Maternal-Fetal Medicine Specialist.

The members of the CHRISTUS Trinity Mother Frances Foundation Women's Board are so very grateful to you, our donors, for your loyal support of their annual projects. You are making a difference in the lives of the women and children of Northeast Texas.

# A TIME TO EMBRACE

For almost 20 years, CHRISTUS Trinity Mother Frances has been blessed by a supportive group of women, the Foundation Women's Board, who are passionate about improving health care for women and children. Each year they choose a project from within our health system, and raise support through their fundraising vehicle, "A Toast to East Texas," a series of unique parties and special events at some of the most exceptional homes and venues in East Texas. Generous patrons from the community host the events at no cost to the Foundation, allowing 100 percent of the proceeds from A Toast to East Texas to support the projects of the Women's Board.

## A note from the 2021 Co-Chairs

We were honored to Co-Chair the 6th annual A Toast to East Texas event.

The eight awesome parties this year beginning September 9 and ending October 7 were creative, joyful and very well-attended. We hosted a Virtual Preview Party, during which individual videos showcased our Women's Board history and our 2021 project and we gave a sneak peek of our eight Toast events. Whether you supported A Toast to East Texas 2021 as a host, a sponsor or a participant, your generous donation enabled the Women's Board to gift **two 4D ultrasound machines to the Maternal-Fetal Medicine Program at CHRISTUS Trinity Clinic**. We are so proud to report that these are already making a difference for mothers with high-risk pregnancies in Northeast Texas.

Stay tuned for the announcement of our 2022 fundraising initiative. We know our project will speak to your hearts, and hope that you will join us in September as we celebrate A Toast to East Texas 2022.

The Lord has truly blessed us with a community full of generous hearts and we are truly grateful!

Cheers!

# A Time to Love

Kelly Community  
Federal Credit Union

Each year, Kelly Community partners with Dairy Queen for Miracle Mondays in May.

Kelly Community Federal Credit Union Annual Sponsor for the Rose City Miracle Run 5K

**Credit Unions for Kids** is a nonprofit collaboration of credit unions, chapters, leagues/associations and business partners from across the country, engaged in fundraising activities to benefit Children's Miracle Network Hospitals. One hundred percent of every dollar donated by local members of the credit union movement goes to the CMN Hospital which serves this community.

**Kelly Community Federal Credit Union** has been a proud CMN Hospitals supporter since 1997 and has given nearly \$75,000 to help sick kids in Northeast Texas.

"Credit Unions have locked arms with Children's Miracle Network Hospitals for more than 25 years," said Michelle Small, CEO, Kelly Community Federal Credit Union. Michelle has a first-hand personal experience with a CMN Hospital. "My instant connection with CMNH was partly because I spent

the first week of my life in the hospital. I was rushed to Children's Hospital right after I was born and what my mother shared with me about the experience connected me to what CMNH does here locally," Michelle shared.

When Michelle went to work for Kelly Community Federal Credit Union in 2004, she learned of their strong history of supporting Children's Miracle Network Hospitals. "Over the last 17 years, I have had the honor of meeting so many who have benefited from CMNH," she said. "Kelly Community desires everyone to have a financially healthy life and we want to do our part to help children and their families get off on the right foot. I know the support CMNH programs provide, I have worked with the CMNH Team – their hearts are huge – I have experienced it first-hand! I am so very grateful for all the good work that Children's Miracle Network Hospital does in our area," she exclaimed.

# A Time to Build

**“Now is a time to build and rebuild by committing ourselves to the institutions around us.” Yuval Levin**

Children’s Miracle Network Hospitals is so fortunate to have many loyal community partners who believe in our mission to increase funds and build awareness for children’s health in our community. Two such CMNH Community Champions are Jacksonville Kiwanis Club and CEFCO convenience stores.

Kiwanis International is a global organization of volunteers dedicated to changing the world one child at a time. The Kiwanis Club of Jacksonville, Texas has been a supporter of Children’s Miracle Network Hospitals for over 20 years and has raised over \$20,000 to help sick and injured kids in the Jacksonville Community.

In 2021, the Jacksonville Kiwanis Club donated \$5,000 to fund the purchase of a Pediatric Dental Unit for CHRISTUS Mother Frances Hospital – Jacksonville.

“We are grateful for the generous donation from the Jacksonville Kiwanis Club,” said Barry Lofquist, Administrator, CHRISTUS Mother Frances Hospital – Jacksonville. “This equipment will ensure kids needing oral surgery or extensive dental work will continue to have access to the excellent care they need close to home.”

## Kiwanis®

CEFCO began a committed partnership with Children’s Miracle Network Hospitals in 1999. The in-store balloon sales driven by hard-working CEFCO associates helped raise over \$50,000 this year to help fund life-saving equipment, programs and services for the kids of Northeast Texas.

“I’ve been working at CEFCO for over 20 years. I remember our very first CMN campaign and I have loved it every year since. There’s something so meaningful about helping sick kids just by asking customers to donate \$1. It’s the least I can do,” exclaimed a CEFCO Store General Manager.

# A TIME TO MOURN

A Salute to our Foundation Champions

If I could save time in a bottle, the first thing that I'd like to do is to save every day 'til eternity passes away, just to spend them with you.

In his popular song, "Time in a Bottle," songwriter Jim Croce expresses his wish to preserve time and save it until eternity passes away. CHRISTUS Trinity Mother Frances Foundation has said farewell this year to five dear friends, with whom we also wish we had more time. Each in their own way, these stalwart supporters have enabled our health system to transform lives, positively change the communities we serve and provide hope to patients and their loved ones.

## Mildred Grinstead | April 3, 2021

If there was ever a person that deserved the title "Patron of the Arts & Sciences" it was Mildred Grinstead. She was a unique individual with a fascinating lifelong pursuit - crafting miniature replica of iconic American homes, buildings and meticulously composed individuals rooms. When spending time with Mildred, she would often share her insights on history and art, and would always encourage the Foundation in our endeavors. Mildred will be remembered for her generosity, modesty and grace. We were so blessed to know you.

## Michael E. Mahfood | September 21, 2021

Michael Mahfood lived by the phrase, "leave this world better than you found it." The founder of East Texas' first website design company, GroupM7, when the internet was still in its infancy, Michael was quite successful in life, and he shared that success with his family, his church and the East Texas community. Michael was a brilliant entrepreneur and he brought those talents with him to serve as a Director on the CHRISTUS Trinity Mother Frances Foundation Board from 2017- 2021. We will fondly remember his way of holding us to high standards, his wonderful stories and his warm sense of humor.

If I could make days last forever, if words could make wishes come true, I'd save every day like a treasure and then again, I would spend them with you.

## Jeanette Mallory | November 9, 2021

Jeannette Mallory will be lovingly remembered by the members of the Foundation for her warm smile and welcoming personality. She and husband Jim have been champions of the Foundation for over a decade, never missing a chance to show their love for the community by supporting a variety of projects. As a Licensed Counselor and Registered Play Therapist, Jeannette naturally had a heart for projects that helped children, and supported Children's Miracle Network Hospitals throughout the years, as well as many other Foundation programs. We are so very grateful to have known this lovely lady.

## Jerry Spencer | October 29, 2021

Jerry Spencer will be remembered as a visionary who made a tremendous impact on the Foundation. As a Director for Christus Trinity Mother Frances Foundation Board and a key member of the Finance Committee, Jerry is responsible for helping broaden the perspective of the investment committee and increasing the success of Foundation investments. His commitment and devotion for community was instilled in him through his service as a Captain in the United States Marine Corps serving in Vietnam, where he received numerous accommodations, including a Bronze Star for his service. Jerry was a self-made man with a life-long love of learning and an undeniable brain for business. He was truly one of a kind and he will be deeply missed.

## Thomas A. Young | April 23, 2021

High school sweethearts Ruth Ann and Tommy Young were married for nearly 61 years. Family was their pride and joy, including their children, grandchildren and great grandchildren, their "circle of strength, founded on faith, joined in love and kept by God," Tommy liked to say. The founder and CEO of Atlas Credit Co. and T. Young Cattle Company, he was devoted to giving back to his community and provided funding for The Young Terrace, a garden space in Bradley Thompson Tower on the campus of CHRISTUS Mother Frances Hospital – Tyler. Tommy wanted to provide a peaceful respite space for reflection in times of crisis or celebration in times of healing for our patients, families, Associates and guests. The terrace is dedicated in loving memory of his wife. Farewell dear friend, we will cherish our memories of you.

We at CHRISTUS Trinity Mother Frances Foundation have always felt a special connection to these wonderful people. We wish that we had more time together, but we will always value the time we shared. We thank the Lord for them being part of our lives.

But there never seems to be enough time to do the things you want to do, once you find them. I've looked around enough to know that you're the one I want to go through time with...

# A Time to Heal

## The Northeast Texas Cancer & Research Institute Campaign

CHRISTUS Health and Texas Oncology have combined efforts, bringing advanced detection, prevention, treatment and clinical research to the Northeast Texas region. Our goal is to create a world-class cancer care experience close to home.

In the United States, half of all men and one third of all women will develop cancer in their lifetime.

The oncologists of Texas Oncology and the surgical oncologists of CHRISTUS Trinity Clinic know that progress in this area takes a team, dedicated to combining their efforts to diagnose disease at the earliest stage, educating our region about cancer prevention, treating cancer with the most advanced equipment, therapies and procedures available, and devoted to conducting extensive research that leads to better outcomes.

This ambitious plan unites multiple cancer services under one roof:

- medical and radiation oncologists
- chemotherapy and immunotherapy treatments
- surgical oncologists treating a full range of cancer specialties
- leading-edge treatments with state-of-the-art equipment

TEXAS ONCOLOGY

# One Team One Dream *End Cancer.*

The rich tradition of CHRISTUS Health and Texas Oncology is steeped in clinical excellence. The Institute's success and future growth relies on the identification, recruitment and support of our physicians and research team. Our top philanthropic priority **is the identification of funding for CHRISTUS Health Endowed Chairs of Excellence.**

Key benefits of endowed chairs include:

- Further empowerment of the institute to identify, recruit and support the brightest minds in surgical and medical oncology research.
- Equipping CHRISTUS Health to secure and sustain world-class physicians, ensuring continued growth in various surgical oncology specialties.
- An endowed chair provides permanent long-term funding that gives our surgical oncologists and physician researchers the freedom to pursue uncharted paths of exploration.

Key benefits to donors include:

- Donors to an endowed chair have their names linked in perpetuity to a "commitment to surgical oncology and research excellence."
- An endowed chair may be named in honor or memory of the donor or other individuals designated by the donor.
- Donors become part of the permanent framework of this mission, providing our most gifted clinician-scientists with a reservoir of support for their pioneering work.

# A TIME FOR MUSIC

MARTIN WALKER PC DONATES CHAPEL PIANO

The Sisters of the Holy Family of Nazareth, the founding congregation of CHRISTUS Mother Frances Hospital - Tyler, have a special place in the hearts of Tyler attorneys Reid Martin and Jack Walker, who have more than once answered the call to help the sisters when in need. Along with their partner, Marisa Allen, Martin Walker PC recently gifted the newly remodeled hospital chapel with a beautiful electric piano to provide music for the chapel services.

Reid Martin, co-founder of the Martin Walker law firm said, "when Robin Rowan from the CHRISTUS Trinity Mother Frances Foundation reached out to me and asked if we would be interested in helping provide the gift for the Sisters and the chapel, we jumped at the opportunity because of our long-standing relationship with them and their goal to support the hospital's mission of extending the healing ministry of Jesus Christ."

Both Jack and Reid have attended services in the chapel with their families. The chapel, build in 1947 and designed by local architect Shirley Simons, underwent renovations in 2021 and re-opened for the Associate Christmas Service on December 16.

"The chapel is such an important place," said Jack Walker. "Those who come to the hospital and want to pray for someone, this chapel is where you go. To play a small part in helping to provide the music that is so important when people pray, is something very special to us."

# Time to Work Together for Good.

Most of you received this annual report magazine because you were CHRISTUS Trinity Mother Frances contributors in 2021. Well, you are in good company! Philanthropic support of hospitals dates all the way back to Benjamin Franklin. In the mid-1700s, hospitals were a fairly new concept as most of the population was cared for at home. (Google “house calls”) A local physician approached Franklin and asked for his help to open the first hospital in the American Colonies. Franklin quickly got behind the plan, offering to raise 2,000 pounds of his own money, and solicit his friends. He challenged the Pennsylvania Assembly to match the amount. The money was raised, the match was provided, history was written as Pennsylvania Hospital was built and the philanthropy connection between communities and health care was born.

Today, philanthropic dollars continue to impact health care as greatly as they did in establishing America’s first hospital. It’s impossible to name a significant hospital project or program at CHRISTUS Trinity Mother Frances that hasn’t benefited from the support of generous donors who have worked together with us to make our system strong. Many of you were motivated because you had a clinical experience that impacted you, leading you to support a specific program that will help patients in similar situations. Still others made a gift of gratitude in honor of the care they or a loved one received. While reasons for donating vary from person to person, we all agree that partnership between the health system and East Texans is essential to the health care of our community.

My challenge to you, our Friends of the Foundation, is to continue believing in our mission to extend the healing ministry of Jesus Christ. Whatever the future holds, whatever God’s purpose or timing, we will move forward together.

Gratefully,

Dennis Box, Chairman, Board of Directors  
CHRISTUS Trinity Mother Frances Foundation

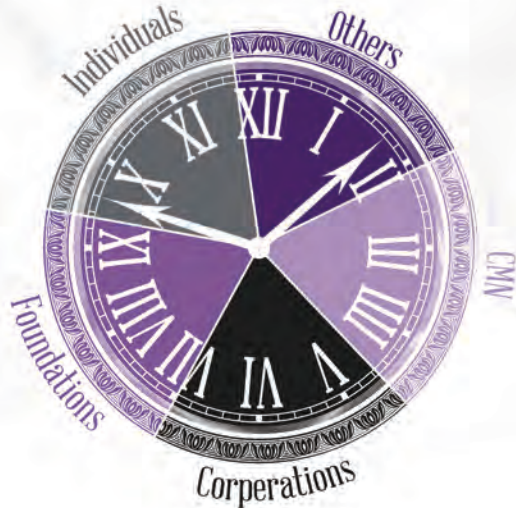

“And we know that all things work together for good to them that love God, who have been called according to his purpose.” Romans 8:28

They choose an annual project from within our health system and raise support through their fundraising vehicle, "A Toast to East Texas," a series of unique parties hosted by the community at no cost to the Foundation. 100 percent of the proceeds from A Toast to East Texas go to support the Women's Board projects.
