CSV CULTURE BOOK

OUR CULTURE

We have something special at CHRISTUS St. Vincent – a compassionate family of more than 2,200 professionals who care deeply about making an impact in our community. We come from different backgrounds, from different cultures, from different parts of the country and around the world. Our differences make us unique and valuable. Our mission of hope and healing is our common bond. We take pride in combining our strengths to care for the people of north-central New Mexico. Our patients are our friends, neighbors and family members. We always want them to feel safe and valued. We love to innovate, collaborate and achieve. Every challenge is an adventure. Every victory is cause for celebration. We find opportunity in every situation, growing stronger, wiser and more prepared. We care about one another, and we lift each other up -- celebrating our unique gifts and accomplishments and supporting each other in difficult times. If there is good to be done, we step forward. If there is progress to be made, we raise our hands.

Together we are a force for good - unstoppable, unshakable, victorious.

We are Team CSV.
